OG FRA EN AV STUDENTENE:

I am abiya

I am very happy to write this letter to you ,to my sponsor,

First of all I want to say thanks to you for helping my education,because when I finished 12th grade I thought my education is over I couldn't study more for higher education,because of my financial situation and family background my and one year I couldn't go to college or join anywhere. That time one of my father friend told about beracah foundation to my father about helping for education. So suddenly I contacted santhosham aunty in beracah she was very kind and very happy to talk about my situation and santhosham aunty says I will do my best to help you for your education that time itself I understand santhosham aunty will fight for my situation. Then I waited for sometime and I got call to my neighbour about my education help. I was so happy and now always.i said thanks to santhosham aunty And santhosham aunty told me am just reason only there is lot of people is there who works more for you and says always pray for them.so am very thankful to you and also always praying for you all who helping me. And I am studying good I completed one year . and I am enjoying my college.thanks to all sponsor and happy Christmas to you all.

Thankyou from abiya.
